

2024 Attack at the Pac!

(2 Person Multi Format Event)

Formats: Holes 1-6 Scramble
Holes 7-12 Alternate Shot
Holes 13-18 Best Ball
Tees: Men – White, Women - Red

Scramble: On each hole, each player hits a tee shot. The team then selects one of the tee shots from which to play. All team members then hit from the selected position. This is repeated until the ball is holed out. Please play all shots within 1 club length of previous spot. (If the selected shot is in the rough both shots must be played from the rough.) Silt fences on the course exterior will act as out of bounds markers when stakes are not present.

Alternate Shot: 2-person teams alternate hitting the same ball. The first player tees off, the second player hits the second shot, the first player hits the third shot, and so on until the ball is holed. Tee balls are alternated so that the same player doesn't hit every drive. Players **MUST** alternate drives each hole!

Best Ball: Best ball involves 2-person teams where each player on the team plays his or her own golf ball throughout the designated holes. After each hole the player with the lowest score on the hole (or “best ball”) out of the 2-person team serves as the team's score. The higher scoring player's score is thrown out for that particular hole.

Thank you for choosing Pacific Springs Golf Club. Please use caution and courtesy with the carts. Keep them on the paths whenever possible and observe all roped areas. **Carts must remain on the cart path on Hole #1 & #4, on all par-3 holes, and around all tees and greens.** Please limit searching for balls to less than 3 minutes.

Enjoy your round!
