The schedule allows for 15 weeks of play. League weeks will reset each Monday Morning. Tee times are required and Pacific Springs will rotate starting holes each week to allow front and back play. Remember, the best way to ensure playing both sides will be by playing 18 holes, which you may choose to use toward the next week’s score.

- b. Teams may play league rounds “ahead” up to 2 weeks. You may not make-up league rounds once the week has passed without prior consent from league manager. This ensures leaderboard is accurate at the conclusion of each week!
- c. Monday and Wednesday nights have been opened up this year to allow more room for this league! Happy Gilmore players may book 14 days in advance while daily fee players may only book 7 days in advance. With this said, we ask you please understand that flexibility goes both ways, and you may not always be able to play at the same time each week! Please be sure to always state you are a league member when calling to ensure you are booked at the correct rate.

#### IV. LEAGUE FORMAT/ RULES/ SCORING

- a. **Format & Tees:** Format is a 2-person Scramble. Each player hits a tee shot. The best shot is selected and both players hit one shot from that point. This process is continued until the ball is holed, or max number of strokes is reached (gross double bogey). Through the green, the ball may be moved up to one club length no nearer to the hole. The ball may not be moved from rough to fairway or onto the fringe of the green, from fringe to green, or from a hazard. Tees are as follows:
  - Men: White Tees
  - Men 70 +: Gold Tees
  - Women: Red Tees
- b. **Special Rules of Golf**
  - i. You are allowed to rake the bunker and replace your ball, no closer to the hole and without penalty
  - ii. Out of bounds, all water features, natural areas, tall grasses, and wooded areas may be played as a lateral hazard with a one stroke penalty assessed
  - iii. Maximum Score Per Hole: the max score a team may record on any hole is **DOUBLE BOGEY**
- c. **League Scoring Handicap:** Each team will have a handicap. Handicaps will be established based on scores from the first 3 scheduled rounds. This team handicap will be used to determine hole by hole net score for the team and ultimately points awarded per hole and for the round.
- d. **Scoring System:** Stableford System utilizing net score per hole as determined by team handicap. Points are based upon NET SCORE per hole. Each playing group is responsible for posting their scores in the Golf Genius app. Please ask the Pro Shop if you have any trouble with using the app as it is instrumental to the organization of league. Pacific Springs will not accept scores in the Pro Shop to post!
  - i. Hole in One: 10 Points
  - ii. Double Eagle: 6
  - iii. Eagle: 4 Points
  - iv. Birdie: 3 Points
  - v. Par: 2 Points

vi. Bogey or Worse: 1 Point

- f. **Flights:** League will be evenly divided into flights utilizing scoring average after the first 3 weeks of play. Once established, flights are set for the remainder of the league, unless extenuating circumstances merit otherwise
- g. **Scores:** All scores in this league will be submitted via Golf Genius, the software and app used to control this league. All scores must be posted by Sunday night at 8:00pm for that week. It is the sole responsibility of the player to input their score on time.
