Tee times are required and Pacific Springs can't guarantee which 9 holes you play (front vs. back). Remember, the best way to ensure playing both sides will be by playing 18 holes, which you may choose to use toward the next week's score.
- b. Teams may play league rounds “ahead” up to 4 weeks. In addition, 2 points will be awarded to each score turned in ON TIME. You may make-up league rounds once the week has passed, but no bonus points will be awarded.
- c. This league is intended to be flexible and inclusive to all golfers. Your score can be recorded for either 9 holes each week.

#### **IV. LEAGUE FORMAT/ RULES/ SCORING**

- a. League is open to men and women of any skill level. Minimum age 18.

- b. **Format & Tees:** Format is a 2-person Scramble. Each player hits a tee shot. The best shot is selected and both players hit one shot from that point. This process is continued until the ball is holed, or max number of strokes is reached (triple bogey). Through the green, the ball may be moved up to one club length no nearer to the hole. The ball may not be moved from rough to fairway or onto the fringe of the green, from fringe to green, or from a hazard. Each participant may play the tee of their choice with the requirement that he/she play the same tee for the remainder of the league. Your choice will affect your flighting.
- c. **Special Rules of Golf**
  - i. You may rake and play out of sand
  - ii. Out of bounds, all water features, natural areas, tall grasses, and wooded areas may be played as a lateral hazard with a one stroke penalty assessed
  - iii. Maximum Score Per Hole: the max score any team may record on any hole is **TRIPLE BOGEY** (3 over par)
- d. **League Scoring Average:** Each team will have a scoring average and handicap. The team's scoring average shall be the average of all of the team's scores and the handicap the average of the last 3 weeks of play. This team handicap will be used to determine hole by hole net score for the team and ultimately points awarded per hole and for the round
- e. **Scoring System:** Stableford System utilizing net score per hole as determined by League Average. Points are based upon NET SCORE per hole.
  - i. Eagle: 4 Points
  - ii. Birdie: 3 Points
  - iii. Par: 2 Points
  - iv. Bogey or Worse: 1 Point
  - v. ON TIME PLAY: 2 Points
- f. **Substitutions:** Subs are not allowed, except on a permanent basis (original player has been injured, moved away, etc.)
- g. **Flights:** League will be evenly divided into flights utilizing scoring average after the first 3 weeks of play. Once established, flights are set for the remainder of the league.
- h. **Official Score Card:** Each team will be required to fill out an official league score card. Rounds not completed on an official card will not be eligible for league play. Prior to your round, your score card may be picked up in the Pro Shop and will include player names, team number, league week and date of play. This card must be returned to the Pro Shop on day of completion. It is recommended

that you keep a copy of each score card (picture on phone, etc.) in the case of any score discrepancy or multiple entries).
